

CANOE

# Xxplorer™ 15.5 (15'6")

CANOEES

Future Beach responds to the increasing demands of the canoe enthusiast in the 21st century. Our expert team of designers has shaped a unique and high quality rotomolded canoe constructed from our exclusive three-layer RamLink™ 3 material, which provides superior stiffness and durability. The asymmetrical shallow V-shape hull creates speed, stability, tracking, and unmatched performance. The XXplorer™ 15.5 is ready to take its place as the best overall value in the canoe category.

# XXCURSION™ 15.5 (1'6")

Future Beach has designed the XXcursion™ 15.5 – a revolutionary canoe that is developing into a category of its own. This true unibody and seamless one piece design sets a new standard of excellence in the industry. Our unique RamLink™ 2 internally molded foam core construction provides stiffness, buoyancy and tremendous safety to this canoe - It's virtually unsinkable. We complement this technology with all the comfort and convenience your family deserves including two adjustable seatbacks, seat cushions, multiple drink holders and storage compartments.
