

**Product News Flash****Inboard Trailer Line Beefed-Up... New 5500# Tandem**

The **SLIB55TBBL** is the latest addition to our Inboard family; a 2 X 5 frame, 5500 lb. capacity trailer for boats up to 24". This new model features a 4-bunk tandem Equiloast system that provides superior support at the rear of the boat where it is needed for today's larger V-drive Inboards. It is also built standard with a prop guard, post load guides, a new stylish Profile Heavy Duty winch and Custom Style fenders.

In addition, the model SLIB29B has been upgraded from 2900 lbs. to 3300 lbs. carrying capacity with a heavier chassis and 15" tires. The new model number is **SLIB33B**. The 4000 lb. Inboard tandems have not changed.

These new trailers are now available. A spec sheet and price list are attached. Service Manuals may be found at [www.shorelandr.com](http://www.shorelandr.com)
