

# ShoreLand'r® PWC ShoreLock'r TA0204-03

**Perfect for storing all your gear before, during and after your outing.**

The new black ShoreLock'r has a custom shape and re-designed mounting brackets. It now fits all ShoreLand'r Double PWC trailer models creating a dry, safe and convenient storage space on-board your trailer.

### Roomy Inside

Over 9 cubic feet of space to store your spare tire, life jackets, and cooler... Everything you need for the day's run.

### Durable Construction

- One-Piece molded, 3/16" high-density polyethylene shell for strength and security.
- Aerodynamic design reduces wind resistance for better gas mileage and smoother towing
- Drain plug for easy cleaning

### Unique Lid Design

- Large 15'X28" hinged lid provides quick and easy access to the entire storage area.
- Rubber gasket to keep contents dry.
- Secure metal latch incorporates a hasp that may be pinned or padlocked for extra protection.
