

# ShoreStation®

These diagrams illustrate just a few of the possible layouts that can be created with Genuine Shorestation Dock

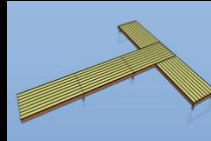

After each diagram you'll find a list of component parts needed to complete the layout with your choice of either cedar or aluminum w/ cedar, poly vinyl, or EON sideboards dock sections. NOTE: Part lists only include items needed to complete to basic dock layout, NO ACCESSORIES ARE LISTED.

Refer to the DOCK COMPONENTS chart below for descriptions of the individual parts.

## DOCK COMPONENTS

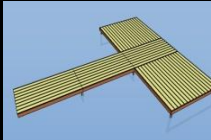

PART	DESCRIPTION
WD/WD8	cedar dock section
AD/AD8	aluminum dock section
LF	leg frame
LFE	leg frame end
LX	leg frame extension
WDAC	45° angle dock connector
WDC	aluminum connector for "L" or "T"
WD45	cedar dock 45° angle section
AD45	aluminum dock 45° angle section
WDM	cedar dock mitered corner section
ADM	aluminum dock mitered corner section
WEB	cedar dock end board
AEB	aluminum dock end board

### "Letter T"
