NEW Parasol Sunshade

The big 12' parasol is the stylish way to beat the heat. With it's 360 degree swivel and tilt feature you get shade wherever you need it.

Check out these special features:

- Classic Bronze parasol's unique cantilever design allows it to swivel 360 degree and tilt to virtually any angle to keep up with the changing position of the sun
- Vented marine grade canopy easily open and closes by turning the hand crank
- Canopy collapses neatly and secures to the frame with storage straps to protect it from the elements
- Zipped vinyl storage cover can be easily removed for washing
- Attaching hardware for either the stationary or floating dock plus a stand alone base for patio use is included
